Executive Director

Triangle Center of
Excellence in Regulatory
Science and Innovation
(Triangle CERSI)

“ For individuals striving to regain their health and productivity as part of opioid addiction recovery, preventing relapses is essential... Our Triangle CERSI program serves as the ideal platform for this work, bringing together academia, industry, and the FDA to address high-priority regulatory needs and accelerate solutions. ”

Developing a Digitally Derived Tool *to*
Prevent Relapse in Opioid Use Disorder
